Are you willing to do some part-time tutoring or marking for the Department?

**INTERNATIONAL STUDENTS**

If you are an international student, provide your country of citizenship or permanent residence:

**PRIVACY PROVISIONS**

The information requested in this application form will be used solely for the purposes of assessing your application for the Scholarship for which you are applying. Personal information contained in this application will be made available only to members of the appropriate selection committee.

Should you have reason to believe that information about you, supplied in connection with this application, or in your academic record, is incorrect, you have right of access to, and where appropriate, correction of, that information.

Where references are required and are sent direct to the Department by the referee or given to the student in a sealed envelope to be attached to the application, the references will be considered confidential and will not be released to the student without the written authorisation of the referee.

**DECLARATION:**

I have read and understand the regulations for the above award and the privacy provisions and I agree to abide by them, and should I be successful with this application, agree to take part in any publicity that may arise from the award.
